

Sher-e-Kashmir
University of Agricultural Sciences & Technology of Kashmir
Main Campus Shalimar – 190 025, Srinagar

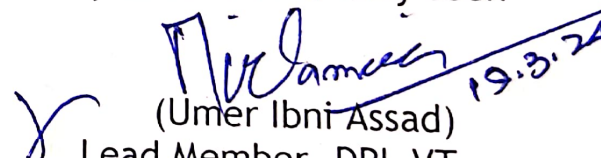

Sub: Culmination of physical verification of authentic/original records in respect of eligible DRWs/CSLWs.

NOTICE

The DPL Verification Team has extended opportunities over the last 3-4 months for eligible DRWs/CSLWs to verify their details through their respective Unit Heads. However, despite this, requests for verification and inclusion in the main list are still being received from various quarters. It is particularly concerning that some DRWs/CSLWs are directly approaching the Team and presenting the records, themselves. This, not only raises concern about the Records Management at a particular Unit, but also opens the gate for a potential forgery. The repeated advice against it, seems to have fallen to deaf ears.

Given the circumstances, it is hereby notified that the verification process will be considered concluded, and the Team will proceed accordingly to the next phase of compilation. However, individuals inadvertently omitted from the list, may submit a specific request through their respective Unit Heads and ensure that an official from the Unit presents such record.

Furthermore, all the Heads of the constituent Units of the University are advised to instruct the concerned DRWs/CSLWs not to directly and/or indirectly seek any details/information from DPL Verification Team.
